**By signing this form, I understand that in order to take the courses listed below I must have completed all required pre/co-requisite(s) by the beginning of this advising term. If I have registered for a course prior to the submission of grades and it is discovered that I did not satisfy any pre/co-requisite, it is my responsibility to drop the course. I understand that if at any time I am found taking a course without having satisfied its pre/co-requisite, I will be automatically dropped from it without the possibility of reimbursement, and I will not be necessarily notified.
